

Fast Facts about Oakhill Assisted Living

Our Mission:

To enhance the quality of life for the seniors we have the privilege of serving, by providing an exceptional level of care and services in a comfortable, stimulating, “home-like” environment

Our House:

- * It looks like a house, feels like a house, and lives like a house
- * It is built like a house, with carpet and pad on a wood subfloor over an insulated crawl space, with central air conditioning and gas heat
- * Each suite is individually insulated for sound proofing & comfort
- * All suites have easy access and are close to the dining and living rooms
- * All suites have private full bath, refrigerator, and microwave
- * We can provide furniture, or the resident may bring their own
- * Our layout encourages residents to interact with staff and each other

Our Services: Services available to the residents, at no extra charge include:

- * Preparation and use of a custom care and service plan for each resident, updated quarterly, or as conditions require
- * We provide care 24 hours a day, seven days a week
- * Assistance with bathing, dressing, and medication administration
- * Three tasty, home-cooked meals plus snacks, each day
- * Daily housekeeping, laundry of linens and personal laundry
- * Daily activities that are entertaining and stimulating
- * Relaxing whirlpool baths
- * Intercom system in each suite & emergency alert notifiers for each resident
- * All utilities except telephone are included
- * Daily resident documentation that includes eating, sleeping, medication, activity levels, and incident reporting
- * Coordination of necessary documentation for resident’s doctor visits
- * Private assistance with managed incontinence
